

# Professional Poster Exhibition

## DESCRIPTION

We are accepting papers dealing with exploration, geochemistry, geophysics, metallurgy, engineering, economics, reclamation, operations, and other subjects pertinent to the mining and mineral exploration industry. This poster session is designed to help bridge science and industry, inspire collaborative efforts in mineral exploration, and showcase research applied to mineral deposits. The core shack and exhibit hall are available for companies interested in promotional-type displays.

## SPECIFICATIONS

**Board Dimensions:** Each presenter will be provided a 4' x 8' poster board display unit and a chair.

**Display Materials:** The display materials for hanging on the panels should be posters, maps, or diagrams of good quality.

**Signage:** AEMA will prepare one "identifying" sign with name, affiliation, and presentation title.

**Set Up:** Display set up will take place between 8:00 am and 5:00 pm on Tuesday, December 1. Participants are expected to be next to their display for a formal Q & A session between 2:00 pm and 4:00 pm on Wednesday, December 3. Participants are welcome to leave their posters up until 11:00 am on December 4.

## COST

The Exhibit Only registration fee is waived for one individual per poster. If you are not a current member of AEMA there is a place on the registration form you can join or renew. Poster Session participants must be either an individual member, be employed by a Corporate member company, or be a government employee, If you want to attend the technical sessions, a technical session badge must be purchased. **This entry form does not constitute a registration.** Please complete the **exhibitor registration** form in this brochure or online at [www.miningamerica.org](http://www.miningamerica.org).
